Re: MUR 4682

Dear Ms. Smith:

I wish to confirm our request and my understanding from our recent phone call that your office has approved a further extension to December 5, 1997 for the submission of our response to the reason-to-believe notification in this matter.

As you know, my request for this additional extension because I was required to be out of the office for a period of time in the days immediately prior to the response coming due. I appreciate the Commission's consideration in this matter.

Very truly yours,

Robert F. Bauer
